ANGELA SOMMERS

I'm a real adventurous kinda woman. Sex has always been an adventure for me from my first experience to my last. I'm the type who's all in or all out. So when I had to pay for a speeding ticket and I had no money, the not-so-gentle police officer accepted my sweet ass as payment. Look, would you accept it, too?

"That'll be thirty-one dollars," I said for the umpteenth time, "and seventy-two cents."

signed copy

Yet another customer proffered their credit card. I processed the purchase, bagged their book, and thanked them for shopping with us. This repeated itself for at least an hour, one customer after another, a miserable script I was forced to relive like Sisyphus pushing that damn rock.

Thirty-one dollars and seventy-two cents. The total, plus tax, of my ex-girlfriend's debut novel. Pardon the cliché, but the book was selling like hotcakes.

Kate, my ex, sat in the posh booth designated for authors; pen poised in her hand, she signed copy after copy. The customer line was long, extending from Kate's exalted throne at the back of the store all the way to the

front entrance.

I was seething, barely able to contain my mounting anger. And I had every right to be pissed. Kate's debut novel had been written by yours truly!

The devious cunt had stolen my work and attached her name to it, convincing the publishing world and her duped readers that she was a burgeoning literary star. I had discovered this just a few days prior when the books had been shipped to the store. Imagine my surprise upon seeing Kate's name on the cover of the book. To her credit, she had changed the title. But the novel was all mine, every last word . . .

Unfortunately, there was nothing I could do. It was Kate's word

...she unzipped my pants and pulled out my cock. I sat there behind the wheel, sighing contentedly as she stroked me.

against mine. As a lowly book-seller, I didn't have the money to hire an attorney. Hell, I could barely pay the rent on my crappy roach infested apartment.

Boiling behind the cash register, I waited for the crowd to clear out so that I could confront Kate once and for all. Thus far she had

only employee left.

"You can leave," Paul told me. "I'll finish up here."

"Thanks, Paul," I replied. "See you tomorrow."

Kate had ignored me throughout the entire event, never once acknowledging my presence. As for me—well, I had been too busy

world."

So callous, I thought. So smug.

"You're lucky I don't have any money, Kate. Otherwise, I would sue you for every—"

"What do you want from me?" Kate waved her cigarette theatrically. "An apology? A percentage of my advance? A cut of my roy-

ignored my text messages. The hotshot writer, I reasoned, was far too busy to respond. I imagined her drinking cocktails in some fancy Manhattan bistro, getting tipsy with her agent as the two of them plotted the upward trajectory of her literary career.

It was enough to make me sick.

The store was about to close. The last of Kate's duped readers exited the store. Save for Paul, the assistant manager tasked with closing out the registers, I was the

ringing up the sales of her book to even glance in her direction. Now, however, things were different. I found her outside. She was smoking a cigarette and waiting for her ride.

"I've got a bone to pick—"

"All's fair in love and war," she cut me off, smoke spewing from her mouth. "Deal with it."

"You stole my book."

"Life is war, Tom. I simply did what had to be done in order to get ahead in this dog-eat-dog

alties? Well, you can forget it . . ."

Her uber pulled to the curb. She tossed her cigarette on the pavement. "I'd love to stay a chat, but I've got a plane to catch."

"Another signing, huh?"

"Houston," she said casually. "Then it's on to L.A."

"So," I said jokingly, "I guess a blowjob is out of the question . . ."

I fully expected her to flip me off. I most definitely did not expect her to say, "If it'll make you hate me a little less, sure."

I placed my hands atop her head, running my fingers through her blonde locks, soft and velvety, just like her pussy.

I waited for the punchline.

"I may be ruthless, Tom, but I have feelings too," Kate continued. "And I always loved your cock. You know this . . ."

This was no joke. She was dead serious!

No sooner had she dismissed her uber than we climbed into my

ing and groaning as she did so. Then she migrated to my nuts, sucking and licking my ballbag before devouring the whole thing.

I placed my hands atop her head, running my fingers through her blonde locks, soft and velvety, just like her pussy. But my ex hadn't said a word about fucking.

reached around and under her skirt with both hands, cupping her ass cheeks, squeezing and kneading the soft flesh as she pogoed her way to an explosive orgasm. Kate's climax triggered mine. I nutted inside her, filling my ex with much jizz.

I drove like a madman to the

car. I pulled behind the store for privacy. My hatred for Kate ebbed as she unzipped my pants and pulled out my cock. I sat there behind the wheel, sighing contentedly as she stroked me. My cock stiffened in her pumping hand, prompting her to release me and take over with her mouth.

Having leaned over the center console, Kate proceeded to give me a spectacularly sloppy blowjob. She slathered my rod with her tongue, up and down, moan-

A BJ, yes. But that's as far as this thing would go.

Turns out I was wrong.

Kate came up for a breather and, lifting her skirt, climbed over the gearshift. Facing me, she moved her panties to the side with one hand while grasping the thick root of my prick with the other. Lowering her hips, she guided me inside that tight moist pussy of hers.

She rode me hard and fast, bucking frenziedly in my lap. I

airport. Neither of us said a word. Kate smoked while I concentrated on the road. "So," she broke the silence, "do you hate me a little less now?"

"Sure," I replied without much conviction.

As a parting gift, she gave me a signed copy of her/my novel. Driving home, I chucked the fucker out the window. I sure as hell didn't want the thing inside my apartment. I saw enough of them at work!

A full-page photograph of Phoenix Marie. She is a blonde woman with long hair, wearing a black lace thong and matching garter belt with stockings. She is standing in front of a stone wall with a dark arched doorway to her left. She is leaning against a wooden crate and looking back over her shoulder at the camera. The lighting is dramatic, highlighting her figure.

PHOENIX MARIE

Phoenix got something really special for her birthday – a night with Alec. He showed up just on time. She had adorned her gorgeous body with her newly favorite lingerie. She had gone to the mall earlier in the day and picked it out just for tonight. Of course, it did not stay on for very long once he got there. Soon she had his pants off and his cock in her mouth. We think it's going to be one heck of a birthday – for both of them.

KITTY CAULFIELD

A fiery redhead is just the thing that we can't get enough of. Kitty started by talking about what it took to get her all fired up. She tells us how she loves to have her pussy played with and was happy to show us firsthand. After that got out of the way, she demonstrated her blowjob skills! Kitty could not help but play with her perky tits as she sucked his cock. Then we watched some more as her pussy swallowed it.

a messy affair

"It's not funny, Debbie," Chip said. "Not one damned bit."

Debbie's laughter reverberated off the walls of their dingy motel room, mocking him as he sat up in a bed equipped with a coin operated "magic fingers" gizmo. Unfortunately, the mechanism was obviously broken; he had lost three quarters trying to get the confounded thing to work before saying to hell with it and focusing his attentions on Debbie.

***She thought his
was the looniest idea
she had ever heard.***

Now, half an hour later, his passion spent for the time being, Chip looked at her and frowned. "I'm dead serious. If she ever found out about us . . . well, I wouldn't put it past her to use those legs—"

Debbie burst into another round of raucous laughter. She thought it was a big joke, this mounting fear of his. He had brought it up the last few times they had met, hoping against hope to elicit some sympathy. Fat chance. She thought his was the looniest idea she had ever heard.

Because, he thought, Debbie doesn't live with Tanya. She doesn't watch her train in the backyard, doesn't see those watermelons explode, doesn't hear the unnerving POP! when the thick rind cracks and the melon falls to pieces and all that pink juicy meat comes gushing out like . . .

Debbie thought his wife's astonishing talent was nothing more than words on paper, Chip reasoned, a ridiculously brief entry in the latest Guinness Book of World Records . . .

MOST WATERMELONS CRUSHED WITH THE THIGHS IN ONE MINUTE (female) Mississippi's Tanya Peters dispatched 5 watermelons with just her upper legs on July 4, 2017. She performed the feat in Mize, Mississippi at the Annual Watermelon Festival and Flea—

"For starters," Debbie interrupted his train of thought, "she has no idea about us. Tanya's clueless. She's got a one-track mind; all she thinks about is holding on to that record of hers. You said so yourself . . ."

"Yeah, but—"

"But what?"

"Sometimes I think she knows."

"She don't know shit." Debbie placed her hand on his chest. "Look, Chip, I didn't come here to talk about your freaky wife . . ."

She moved her hand down his stomach, sliding it beneath the covers to his rapidly stiffening cock. "Stop thinking about Tanya's melons," she told him, shaking her ample jugs like she did when dancing at the tittie bar where they had met, "and

get a load of these . . .”

Chip didn’t get a load of them so much as on them, this after pounding her pussy missionary style, pulling out, and popping off in a big way . . .

He drove home to find Tanya sunbathing on the patio. She wore her favorite swimsuit, a canary yellow one-piece which amplified her plus-size figure. The suit allowed for easy cleanup with a water hose following her high intensity training sessions. Crushing watermelons with one’s legs was a messy affair. And pricey. Thankfully her father was a local farmer with his very own melon patch; he was also highly supportive of his daughter’s peculiar pastime, supplying her with plenty of cannon fodder for those thunderously thick thighs of hers.

Tanya was feeling frisky this afternoon. Chip barely had time to say hello before she led him to the bedroom. Their heated coupling culminated in her urging him to go down on her. She lay there on the bed, her nipples stiff with excitement, her tree trunk legs parted in anticipation. This was a new development in their relationship, and the source of Chip’s growing sense of dread. Tanya had never liked receiving oral pleasure; at least not until shortly after Chip had begun his affair with Debbie.

The timing of his wife’s about-face was not lost on him. Chip couldn’t help but wonder if Tanya was using their oral lovemaking sessions as trial runs in which to fortify and clarify her murderous moxie.

Now, mouth inches from his wife’s cavernous

honeypot, he paused. Debra’s mocking laughter filled his head. Was she right? Was he being ridiculous? Was he crazy for thinking that Tanya would actually—

“Come on, baby.” His wife’s fingers clawed his scalp; she pushed his head down, lower and lower. “Do it . . .”

Chip did it, employing his tongue to the best of his abilities. He was determined to rock her world, even as he feared for his life. If anything, the fear improved his performance. Perhaps, he reasoned, she’ll forgive and forget, just so long as I make her come like she’s never—

And that’s when Chip, lips pressed to his wife’s sex, felt the pressure on both sides of his head. For a brief moment, two or three seconds at most, he thought it was his overactive imagination. But the terror kicked in soon enough when the pressure increased, his wife’s upper legs squeezing his head like a fleshy vise.

Chip raised his hands to her knees and pushed, trying desperately to free himself. His efforts were futile. She had him immobilized, his head pinned.

He managed a muffled cry for help, a pathetic whimper.

“Come on, Chip,” Tanya said contemptuously. “Surely you can do better than that . . .”

She let him squirm a little while longer, then she clenched her teeth and squeezed and kept on squeezing like a true world champion.

VICTORIA VALENTINA

When Victoria's boss asked her to take in my class at the local college to learn the skills she was missing so she could be promoted, she was furious. But the moment she saw me, she started softening her posture, and getting her panties a little wet. She could barely concentrate on what I would talk about in class. All she cared about was the big giant bulge in my jeans. She was so hot for teacher, I think that she had to run to the bathroom once to relieve the pressure building in her pussy. When I asked to see her after class one night to talk about how unfocused she always seemed, Victoria knew her chance had arrived.

NIKKY BLOND

Nikky couldn't believe how helpful the accountant was being. She was only paying him to balance her books, but after seeing the state of her finances, he offered to spend a few extra hours fixing those at no extra charge. No matter how hard she tried, she couldn't understand why he was being so generous. But no matter his motivation, she thought he deserved a very big, very special thank you. While he was finishing up, she decided to change into something a little more interesting. When she came back, he almost fell out of his chair.
